### "THE MISER" GOOD SHOW

Contemporary playwrights are fond of putting the characters on a bare stage with no plot and no ending. Not so in the time of Moliere who wrote "The Miser". For sheer neatness this play is a marvel. Every loose end is tied. In the process, the Marion Art Center players did an outstanding job with this period piece which has aged with a wonderful bouquet of humor.

Harpagon was played by George Carns, who had the demanding part of the miser. Not only was he good with his lines, but he played the role as much with his eyebrows and a "rubber" face that was a ready mirror for every thought. Around this pillar of strength his supporting actors were excellent. Valere, David Boyce, played a shipwrecked, noble born, household servant in love with the miser's daughter. Elise, Joan Olsen, played the miser's daughter betrothed by the miser to Seigneur

Anselm, Davis Gallison, who turned out to be Valere's father. Cleante, Peter Roy, the miser's son, is in love with Marianne, Gail Gibbons, who is the miser's fiance and in the end turns out to be Seigneur Anselm's daughter and Valere's sister. What could be neater than that?

In supporting roles were: Donal Durfee as La Fleche, Nathan Werner as Master Simon, Peggy Dyer as Frosine, George Keith as Jacques, Americus Cleffi as first servant, Peggy Doran as second servant, Philip Purrington as justice of peace, and William Beardsley as clerk to the justice.

The performance was well done, very funny and the audience was well entertained. The costumes were excellent and the set was cleverly decorated.

The play was directed by Lawrence Lamarre.

# FIRE!

What are your responsibilities as stated by your insurance policy when you have suffered a loss by fire?

The Standard Homeowners and Fire Insurance Policies State,

IF FIRE OCCURS, THE INSURED SHALL GIVE IMMEDIATE NOTICE OF LOSS ... SEPARATE DAMAGED AND UNDAMAGED PERSONAL PROPERTY MAKING A COMPLETE INVENTORY OF THE SAME, STATING THE QUANTITY AND COST OF EACH ARTICLE AND THE AMOUNT CLAIMED THEREON ..... AND WITHIN 60 DAYS.

The policy provides actual cash value on the day of the loss, which means replacement less a reasonable depreciation. Actually, these losses must be, AND ARE, settled on the basis of PROVED LOSS.

If you are faced with a severe fire loss, will you be able to remember accurately the total contents of your home, cost and date of purchase. If you can't, you may be exposing yourself to a severe loss even though you are paying your hard earned dollars for protection to avoid such a situation.

THE SOLUTION TO THIS PROBLEM is to take the time now! to make such an inventory of your property. This will help to prove your loss and substantiate any claims against the protection you are paying for.

The Giles H. Dunn Agency can provide to you as a service a handy booklet that will guide you quickly through the task of surveying your possessions. A mere call or a card is all that is necessary to reserve this inventory form for you.

REMEMBER, the burden of proving a loss rests with the policy holder -- that is why it is so important to know the exact value of your household goods.

SEMINARIANS PRESENT CHRISTMAS PROGRAM  
FOR SIPPICAN WOMAN'S CLUB

Twenty-four young seminarians from the Sacred Heart Seminary in Wareham presented a varied and interesting program at the Christmas meeting of the Sippican Woman's Club in Marion on Friday. They were accompanied by their spiritual director, Rev. Gabriel Healy.

Mrs. Darrough Gurney, the president, held a short business meeting before the program.

These young men represented students from Japan, Mexico, Hawaii, Canada, Ireland and various parts of the United States who are studying to become missionaries.

Two Hawaiian boys sang and played guitar and mandolin in native costume, in both Hawaiian and English. A boy from Japan played the auto-harp and sang in Japanese. Comedy was added by "Harvey and the Hillbillies" - as well as more serious thought with Christmas selections and the reciting of "A Soldier's Prayer", and some personal meditations.

Those present enthusiastically received the entertainment which was further enjoyed

## Jr. Grange

Mattapoisett Junior Grange held its bi-monthly  
meeting last Friday night with worthy master  
Mark Harris presiding. Several members  
were unable to attend due to illness. Nevertheless  
there was a good attendance and several  
helped with the officers' work.

Robert Linhares was welcomed as a new  
member of the Grange and received the fel-  
lowship of the Juniors.

It was a pleasant surprise to have Mrs.  
Laurita Smith, deputy of the Massachusetts  
State Grange, as a guest. She brought  
greetings from State Master Nelson and  
thanked the Juniors for the help and support  
given her this past year.

Worthy lecturer Mary Beth Breton presented  
her lecturer's program. She presented another  
honored guest, Mr. Real Breton, who is

## Grange

Mattapoisett Grange held its bi-monthly meeting last Thursday night with the worthy master Susan Bence presiding. Herbert La Fleur, master of Acushnet Grange, was the honored guest.

A report was given by Mrs. Ruby Barber on the food sale she held at the A & P. She thanked all who helped her. A letter of appreciation was read from the family of the late Mrs. DeRocha.

Mr. John Thompson of Harbor Beach has presented to the Grange a picture made up of a sheaf each of wheat, barley and oats that had been made by his mother and most suitable for the Grange.

Invitations were read from Fairhaven Grange for December 14th and New Bedford Grange for its anniversary in January, 1968.

A most unhappy accident has happened to Mr. Earle Wilson who had a bad fall. Mrs. Wilson has not recovered from her accident and is just learning to walk again with a walker.

Plans were started for the lecturer's program December 21st. The Junior Grange is setting up and trimming the Christmas tree.

The lecturer's march was won by Mrs. Margarite Vaughan. A games party followed under the direction of Mrs. Ruth Shaw. Sandwiches and coffee were served during the social hour.

#### HISTORICAL STUDY GROUP MEETING

The thirty-three original Rochester proprietors and their land allotments were the main topics of discussion at a recent meeting of the Rochester Historical Study Group held at the home of Mrs. Donald Jenkins.

A large map of Rochester with overlays showing four separate land divisions during a period from 1684 to 1704 was displayed and explained by Mrs. James Gurney. Also illustrated on the map and overlays were the owners of every lot and Rochester homes built prior to 1704. A committee consisting of Mrs. Gurney, Mrs. Clifton Vaughan, Mrs. Maurice Gifford and Mrs. David Enroth has been responsible for drawing up the map and is continuing to do research on each individual proprietor and his land allotments.

The Historical Study Group voted to obtain exterior date plaques for two Rochester homes. Mr. and Mrs. James Gurney and Mr. and Mrs. Robert Douglas have presented records to the group proving their homes to be over 200 years old. Both homes were built around 1750 and are located on North Avenue.

There will be no December meeting. The next meeting will be January 31st.
